- | | |
|--|--|
| <ol style="list-style-type: none">1. Search<ol style="list-style-type: none">a. Use IP address to set default plateb. Instant Photo Manipulation upon searchc. Shoot to search results page if there are multiple possibilities. | <ol style="list-style-type: none">2. Advertising<ol style="list-style-type: none">a. Make ads work properly.b. Allow Create an Ad |
|--|--|

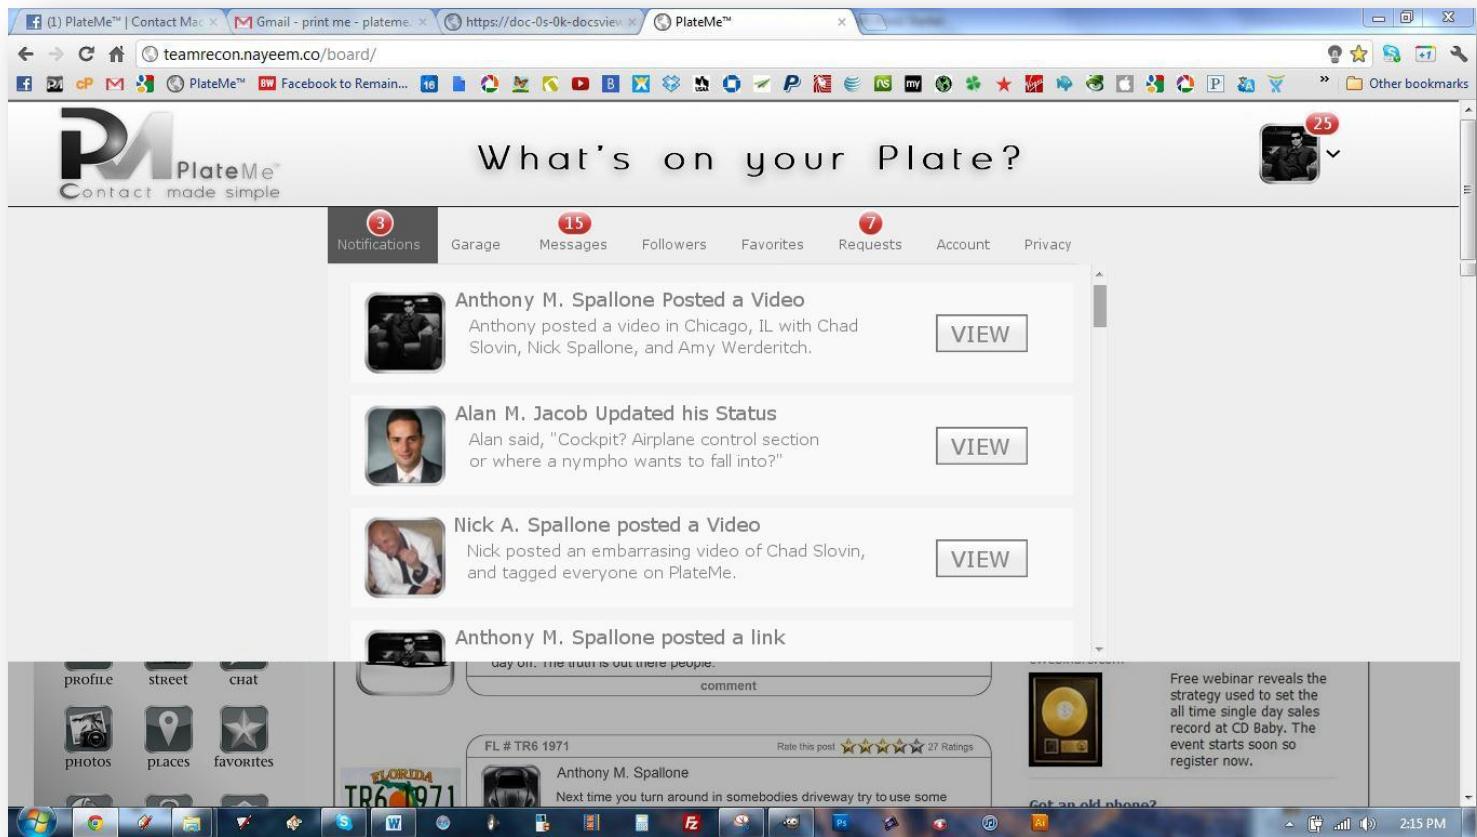

The screenshot shows the PlateMe website interface. At the top, there's a navigation bar with various links and a search bar. The main header reads "What's on your Plate?". On the left, there's a sidebar with a user profile for "Anthony M. Spallone" and links for "add to favorites" and "following this plate". Below that is a menu with icons for "profile", "street", "chat", "photos", "places", and "favorites". The main content area displays a news feed with several posts. Each post includes a thumbnail image, the poster's name, a brief message, a rating, and a "comment" link. One post from "Olivia Wilde" mentions driving and chatting. Another from "Anonymous" criticizes driving. A third from "Black 2007 Range Rover" discusses a day off. A fourth post from "FL # TR6 1971" is a reply from "Anthony M. Spallone". To the right, there's a sidebar for "Sponsored" content featuring "Herbie Hancock" and a "How to Sell More Albums" section. At the bottom right, there's a link for "Got an old phone?".

News Feed Page

The News Feed should look “Identical” a trace over of the page above. All sizes and dimensions must look as they do above.

There are 4 News Feed Types:

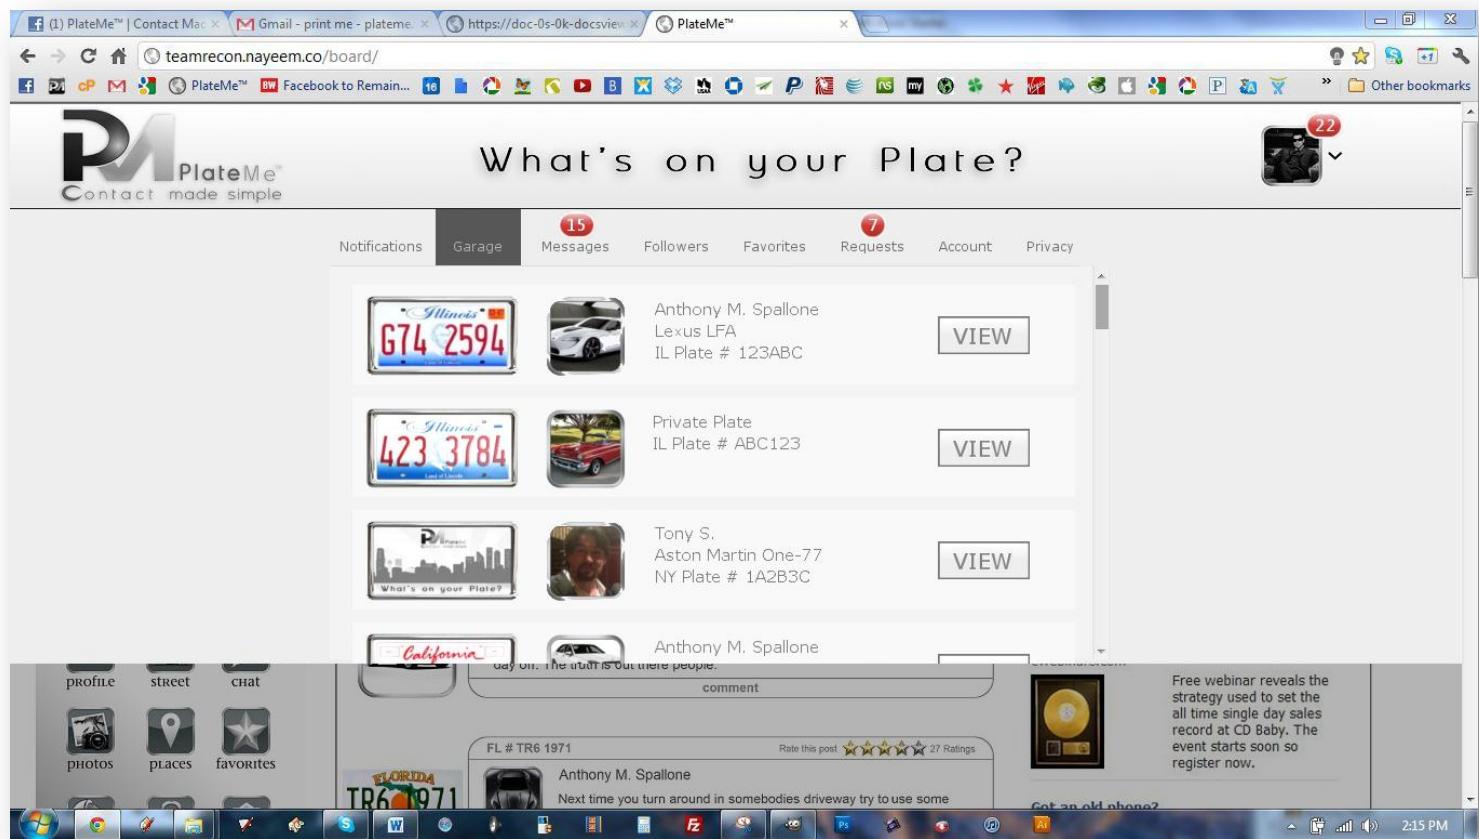

1. What's Sup
 - a. This news feature shows all posts made by Favorites & Following (People you are following)
2. Local News
 - a. This news feature shows all news posts made within a zip code
 - i. When a user makes a post they have the option to “Post as News” these posts will appear within a specific radius.
3. Coupons
 - a. Coupons can be listed by verified business only. When the coupons expire they must be automatically deleted from this page.
4. Nearby Posts
 - a. These are posts made by all PlateMe users within a given zip code that allow their post to be public.

Drop Down Menu | Notifications

The Notifications should appear as they do above.

1. A red bubble with the number of total notifications appears over the top right corner of the header profile picture.
2. A red bubble with the number of notifications appears over the menu names within the drop down menu.
 - a. Notifications
 - b. Garage
 - i. If an item in your garage has a notification the red dot will tell you how many notification are on the total plate number
 1. Within the garage the number of notifications for each item will be displayed to the left of each item in the red dot.
3. If a notifications has been viewed the notification sub box will be a few shades darker than the notifications that have not been viewed.
4. Clicking "View" brings the user to the page and location of the post and highlights it for a second by shading the post darker and lighter.
5. Remove "horizontal" scroll bar.

Drop Down Menu | Garage

The Garage should appear as it does above.

1. The Plate with Plate Number on the far Left (Notifications should appear to the left of the plates)
2. The Profile Picture that goes with the plate to the right of the Plate.
3. Information tied to the plate to the right of the profile picture
 - a. Name
 - b. Make Model
 - c. Plate Number
4. Where it says “View” should say “Switch”
 - a. When the user clicks “Switch” their current profile should change to the one they switched to. The Profile picture in the header and left sidebar should change to the profile picture associated with the chosen plate.
5. Remove “horizontal” scroll bar.

The screenshot shows a web browser window with the PlateMe website open. The URL in the address bar is <https://doc-0s-0k-docsview.com/>. The page title is "What's on your Plate?". The navigation bar includes links for Notifications (3), Garage (15), Messages, Followers (selected), Favorites, Requests (7), Account, and Privacy. Below the navigation bar are two buttons: "FOLLOWERS" and "FOLLOWING". The "FOLLOWERS" section displays three user profiles:

- Anthony M. Spallone**: Anthony posted a video in Chicago, IL with Chad Slovin, Nick Spallone, and Amy Werderitch. A "VIEW" button is next to the profile.
- Alan M. Jacob**: Alan said, "Cockpit? Airplane control section or where a nympho wants to fall into?" A "VIEW" button is next to the profile.
- Nick A. Spallone**: Nick posted an embarrassing video of Chad Slovin, and tagged everyone on PlateMe. A "VIEW" button is next to the profile.

At the bottom of the page, there is a sidebar with links for profile, street, chat, photos, places, and favorites. There is also a comment section and a sidebar advertisement for a webinar.

Drop Down Menu | Log Out

Put Log Out Button here (Do not put a green arrow)

The screenshot shows the PlateMe website interface. At the top, there's a navigation bar with links like Chat, Illinois license plate (423 3784), and user profiles. The main area features a "What's on your Plate?" header. On the left, a sidebar includes a "CHAT" button, a license plate section, and links to Profile, Street, Chat, Photos, Places, Favorites, Followers, Settings, and Messages. The central content area displays a user profile for Michael Sorg, a post from an anonymous user about driving, a post from a Black 2007 Range Rover, and a sponsored ad for Herbie Hancock. A sidebar on the right shows a PlateMe mobile app interface and a "How to Sell More Albums" section.

Drop Down | Chat

1. The Chat Feature should look “Identical” a trace over of the page above. All sizes and dimensions must look as they do above.
2. Chat Features include all the same features as posts:
 - a. What’s Up | Written Posts
 - b. Photo Posts
 - c. Video Posts | Webcam and Uploads
 - d. Links | With a Preview Display of the Link
 - e. Location | Share Location | Show a Locations
 - f. Events | Make an Event | Invite to Event
 - g. Settings | Alternate File Shares i.e. Documents, PDF, Word, Screen Share

The screenshot shows the PlateMe website interface. At the top, there's a navigation bar with various links like '80HD Energy', 'Banking', 'Chillofonix', and 'Advertising'. The main header reads 'What's on your Plate?'. On the left, there's a sidebar with a license plate icon ('423 3784'), a car icon with details ('Anthony M. Spallone, Aston Martin One-77, 2009, Silver, IL Plate # 423 3784'), and social media icons for profile, street, chat, photos, places, favorites, followers, settings, and messages. Below this is a 'notifications' section with five dots. In the center, there's a large map of Chicago with a car icon on it. Overlaid on the map are four buttons: 'Get Directions', 'Share Location', 'Request Location', and 'Open in Maps'. To the right of the map, there's a post from 'Olivia Wilde' with a picture of her and a message about driving. Below that is a post from 'Anonymous' with a picture of a car and a message about flying. On the right side of the page, there's a sidebar with a 'PlateMe' logo, a search bar, a sponsored ad for 'Herbie Hancock', a link to 'How to Sell More Albums', and another ad for 'Flying without wings'.

GPS | Maps

1. When the GPS Button is hit the all of the favorites last location will appear.

 - a. Get Directions
 - i. Click this to get directions form your current location or an alternate address.
 - b. Share Location
 - i. Click a user's picture and click share location to notify that user of your current location.
 - c. Request Location
 - i. Click a user's picture and click request location to get the most "live" location of this user.
 - d. Open in Maps
 - i. Open in Google Maps with all of the Google Maps Features but do not leave PlateMe

The screenshot shows the PlateMe website homepage. At the top, there's a navigation bar with links like Home, About, Contact, and Log In. Below the header, the PlateMe logo is on the left, followed by the slogan "Contact made simple". The main title "What's on your Plate?" is centered above a search bar. To the right of the search bar is a user profile icon. The central area features a large, rounded rectangular timeline interface. At the top of this timeline are icons for "what's up?", "photo", "video", "link", "location", "event", and "settings". Below these are several status update cards. One card from "Olivia Wilde" says: "Hi there! You made driving to work a lot of fun today, private message me if you want to chat. :) BTW, I'm the brunette in the white Mercedes from earlier today...". Another card from "Anonymous" is partially visible. To the right of the timeline, there's a sidebar with a "PlateMe" box showing a city skyline, a "Search" field, a "Sponsored" section featuring a photo of Herbie Hancock, and a "How to Sell More Albums" section. At the bottom of the sidebar, there's a "Free webinar" announcement and a "Flying without wings" section.

Time Machine™

1. When the Time Machine Button is hit have this appear.
2. The Time Machine is a tool that allows users to find past posts easily and quickly.
 - a. When a Day / Month / Year is picked the user has the ability to search by post type:
 - i. Status Update
 - ii. Photo
 - iii. Video
 - iv. Event
 - v. Link
 - vi. Location
 - vii. Chat
 - viii. Private Message
3. The Time Machine is also a tool that allows users to make Future Posts, by simply selecting a Time / Day / Month / Year, after a date and time is selected they can make various post types that will not be visible until their selected date:
 - a. Post Types

- i. Status Update
- ii. Photo
- iii. Video
- iv. Event
- v. Link
- vi. Location
- vii. Chat
- viii. Private Message

The screenshot shows a web browser window with the PlateMe website. The header features the PlateMe logo and the tagline "Contact made simple". Below the header, there's a search bar with the placeholder "What's on your Plate?". On the left side, there's a sidebar with various icons for "what's up?", "proto", "video", "link", "location", "event", and "settings". A status update from "Anthony M. Spallone" is displayed, showing he added 47 new photos to his "New Years 2011 Album". The album thumbnail shows several people at a party. Below the album, there's a comment section. To the right of the main content area, there's a sidebar with a "Sponsored" section for "Herbie Hancock" and a "How to Sell More Albums" section. At the bottom of the sidebar, there's a link to "ewebinars.com" and a note about a CD Baby event.

News Feed | Photos

1. When a user makes a post display 1 large image to the left and 2 small images to the right as shown above.
 - a. Insert shadow effect behind Photos

Albums | Photos Medium Display

1. Click any image on PlateMe and this pops up
2. Have the ability to scroll through the album by clicking to the right or left side of the photo
(Have the arrows appear on hover of left side of the photo or right)
3. Comments box below the photo with share options
4. The top right of the photo has a full screen feature, click that and see below

News Feed | Photos Full Screen View

1. Have the ability to scroll through the album by clicking to the right or left side of the photo (Have the arrows appear on hover of left side of the photo or right)

The screenshot shows the PlateMe website interface. At the top, there's a navigation bar with various links and a search bar. The main header reads "What's on your Plate?". Below the header, there's a toolbar with icons for "what's up?", "photo", "video", "link", "location", "event", and "settings". A status bar below the toolbar says "status:". Underneath, there are three tabs: "Breaking News", "Traffic", and "All News". The "Traffic" tab is active, displaying a map of a city area with green and yellow lines indicating traffic flow and congestion. Below the map, there are two comment posts. The first post is from "Olivia Wilde" with a photo of her, saying: "Hi there! You made driving to work a lot of fun today, private message me if you want to chat. BTW, I'm the brunette in the white Mercedes from earlier today...". The second post is from "Anonymous". To the right of the map, there's a sidebar with a police badge icon, a search bar set to "Plate California", and a sponsored ad for "Herbie Hancock" at "Oct. 29 in Naperville, IL". Another sidebar on the right promotes "How to Sell More Albums" and shows a gold record icon.

Various Page Types | Local News

1. The Example above shows a user searching for Local News
2. Local News Offers 3 types of News Feeds
 - a. Breaking News
 - b. Traffic
 - i. Traffic Shown above shows current traffic
 - ii. You can get directions and plan trips from here
 - c. All News

The screenshot shows a web browser window with the PlateMe website loaded. The URL in the address bar is <https://doc-0s-0k-docsvview>. The page title is "What's on your Plate?". On the left, there's a sidebar with a police badge icon and the text "Police Department Des Plaines, IL 60016". Below it are buttons for "add to favorites" and "FOLLOWING THIS PLATE". There are also icons for profile, street, chat, photos, places, and favorites. The main content area features a large "Amber Alert" box for Holly Bobo, which includes a photo of her and instructions for reporting sightings. Below this are news posts from Olivia Wilde and Anonymous. To the right, there are sponsored ads for "Herbie Hancock" and "How to Sell More Albums". At the bottom, there's a section for old phones.

Various Page Types | Local News Breaking News

1. The Example above shows a user searching for Local News

2. Local News Offers 3 types of News Feeds
 - a. Breaking News
 - i. Breaking News Contains posts made by
 1. All Users
 2. Local Police
 - a. Local Police have priority placement as shown above,

- i. The local police (once verified) can put their posts in the Chrome frame that is always on the top of the page.
 - ii. The Police have a “Public Safety” feature that allows them to make posts in the chrome fame on various accounts.
 - 1. The example shown above displays an Amber alert with a plate number in question.
 - a. The police have the ability to post this Chrome Frame Alert on the Plate of question and keep it there until the case is resolved, see below. For details
3. News Companies
- b. Traffic

The screenshot shows a web browser window with the PlateMe website open. The title bar reads "PlateMe™ | Contact Made Simple". The main content area displays a message board titled "What's on your Plate?". It shows two messages:

- Message from Alan Jacob: "Hey!!!!!"
- Message from Anthony Spallone: "Wahooo!!!"

Each message has a "Reply" button. Below the browser window is a Windows taskbar. On the taskbar, there is a document icon labeled "SWOT Analysis.docx", a search bar, and several pinned application icons including Internet Explorer, File Explorer, and Microsoft Word. The system tray shows the date and time as "2:35 PM".

Various Functions | [Return to Top](#)

- i. This is a one click feature that allows users to return to the top of the page with one click.
 1. It is frustrating when scrolling down very far in a page and needing to go to the top,
 - a. This button allows for users to return to the top of the page from anywhere.

The screenshot shows the PlateMe website interface. At the top, there's a navigation bar with links to 'Contact Mac', 'Gmail - print me - plate...', 'https://doc-0s-0k-docsv...', and 'PlateMe™'. Below the bar, the PlateMe logo is visible with the tagline 'Contact made simple'. The main header reads 'What's on your Plate?'. On the left, there's a featured post for an Illinois license plate (423 3784) with a photo of a man in a suit. Below it, there are three comment boxes: one from Olivia Wilde, one from an anonymous user, and one from a user named Black 2007 Range Rover. On the right, there's an advertisement for a concert featuring Herbie Hancock. At the bottom left, there are links for 'add to favorites' and 'FOLLOWING THIS PLATE'. On the far left, there's a sidebar with icons for profile, street, chat, photos, places, and favorites.

Various Functions | Comments & Posts

1. Comments and Posts:

- Squared off Profile Picture in Chrome Frame to the Left of the comment box
- Comment box
 - Name | Plate Number
 - Star Rating
 - Time Stamp
 - Comment
 - Share

The screenshot shows the PlateMe website interface. At the top, there's a navigation bar with links to 'Contact Mac', 'Gmail - print me - plateme...', 'https://doc-0s-0k-docsvie...', and 'PlateMe™'. Below the bar, the PlateMe logo is visible along with the slogan 'Contact made simple'.

The main header reads 'What's on your Plate?'. On the left side, there's a large image of an Illinois license plate with the number '423 3784' and the text 'Land of Lincoln'. Below it, a profile picture of a man in a suit is shown with the caption 'Anthony M. Spallone Aston Martin One-77 2009 Silver IL Plate # 423 3784' and a count of '3' notifications.

On the right side, there's a sidebar with a city skyline icon and the text 'What's on your Plate?'. It includes a search bar with 'Plate' and 'California' selected, and a button to 'Create an Ad'. Below the search bar, there's a sponsored ad for 'Oct. 29 in Naperville, IL' featuring Herbie Hancock.

The central area contains several comment boxes. One from 'Olivia Wilde' says: 'Hi there! You made driving to work a lot of fun today, private message me if you want to chat. :) BTW, I'm the blonde in the white Mercedes from earlier today...'. Another from 'Anonymous' asks: 'About that Mercedes, I really like it, are you looking to sell it by any chance? If so give me a call at 630 640 9221.' A third from 'Anonymous' repeats the same question. There are also comments for a 'Black 2007 Range Rover'.

At the bottom left, there are icons for 'profile', 'street', 'chat', 'photos', 'places', and 'favorites'. On the far right, there's a section titled 'How to Sell More Albums' with a link to 'eweblinars.com' and a gold record icon.

Various Functions | Comments on Comments

1. Comments on Comments:

a. Squared off Profile Picture in Chrome Frame within the comment box

i. Comment box

1. Name | Plate Number
2. Star Rating
3. Time Stamp
4. Comment
5. Share

The screenshot shows the PlateMe website interface. At the top, there's a navigation bar with various links and icons. The main header reads "What's on your Plate?". On the left, there's a sidebar with a user profile for "Anthony M. Spallone" (Aston Martin One-77 2009 Silver IL Plate # 423 3784), options to "add to favorites" or "FOLLOWING THIS plate", and several social media and utility icons.

The central content area displays a comment section for a post by "Olivia Wilde". The post content is: "Hi therel! You made driving to work a lot of fun today, private message me if you want to chat. :) BTW, I'm the blonde in the white Mercedes from earlier today...". Below this, there are two more comments from "Anonymous" with identical text: "About that Mercedes, I really like it, are you looking to sell it by any chance? If so give me a call at 630 640 9221.". Each comment has a timestamp ("February 29, 2012 at 4:37pm") and a "comment" button.

At the bottom right, there's a sidebar for an event titled "Oct. 29 in Naperville, IL" featuring "Herbie Hancock". It includes a photo of Herbie Hancock and a brief description: "Experience Herbie Hancock like never before in acoustically stunning Wentz Concert Hall at North Central College." There's also a section for "How to Sell More Albums" and a link to "ewebinars.com".

Various Functions | Commenting on Comments

1. Commenting on Comments:

- When the “comment” button is hit a drop down menu pops up for the user to make their comments simple.
 - When commenting on comments users can
 - Post written updates
 - Photos
 - Videos (Webcam or upload)
 - Links
 - Location / GPS
 - Events / Time Machine
 - Create an event
 - Post on a future date

7. Settings

- a. Post publicly
- b. Post Privately
- c. Post as yourself
- d. Post as anonymous

The screenshot shows the PlateMe website interface. At the top, there's a navigation bar with various links and icons. The main header reads "What's on your Plate?". On the left, there's a sidebar with a user profile for "Anthony M. Spallone" (Aston Martin One-77 2009 Silver IL Plate # 423 3784), options to "add to favorites" or "FOLLOWING THIS plate", and several social media and utility icons.

The central content area displays a feed of comments. The first comment is from "Olivia Wilde" (February 29, 2012) saying, "Hi there! You made driving to work a lot of fun today, private message me if you want to chat. :) BTW, I'm the blonde in the white Mercedes from earlier today...". Below it, two anonymous users comment about the Mercedes. The bottom comment is from an anonymous user (February 29, 2012 at 4:37pm) saying, "WoW!!! Really?!?!? You are the worst driver EVER!!!! I almost crashed 5 times because of you!!! Stop flirting with girls on the highway and focus on the road!!! LEARN TO DRIVE!!!".

On the right side, there's a sidebar with a "Sponsored" ad for "Herbie Hancock" and another for "How to Sell More Albums". There's also a section for "Got an old phone?".
